

Dear parents and students

Please find below the final details regarding RAD ballet exams. The exam times below are set by the international examining body of the Royal Academy of Dance, these times cannot be changed or adjusted by Academy of Dance Victoria. Ballet exams are usually scheduled during school hours. Exam days and times will always vary from year to year as the Head Association allocates exam dates to thousands of dance schools around the country, and the examiners then travel around Australia and internationally to conduct exams. There are 1,100 RAD exam sessions in Victoria alone. Ballet exams are counted as an Educational Activity for students under Victorian Education requirements and hence for those missing a couple of hours of school for the exam, it is counted under the Education setting rather than a direct absence i.e. for a dentist or medical appointment, or missing part of school for a holiday etc.

Students must arrive at their listed time ready to get their hair done. All exam hairstyles will be done by ADV teachers and assistants at the studio. Parents are not required to do their child's hair but must send their child with the following items to their hair appointment time. Exam hairstyles vary from group to group.

- 4 Hairbands – 2 thick and 3 thin in light brown or black or blonde to match hair colour
